

Larwood School

Online Safety Update

Autumn Term 2

This issue includes

1. Online Safety Update
2. In School This Week
3. Dates for the Diary

Many of us will be using our online devices to prepare for the festive period - especially with present buying! The police have launched a project called “**The Think Safe, Stay Festive** campaign” aimed at helping residents enjoy a safe and crime-free festive period. Running throughout December, the campaign will share practical advice and timely reminders on a wide range of safety topics – from fraud prevention and online security, so that everyone can celebrate Christmas safely. Assistant Chief Constable Nikki Leaper continued: “Taking simple steps, like being careful with email links can support a safer and more enjoyable Christmas for the whole community.”

In School This Week...

Hello and Welcome!

We are thrilled to welcome all parents, carers and families to our school community as your children begin this exciting new chapter.

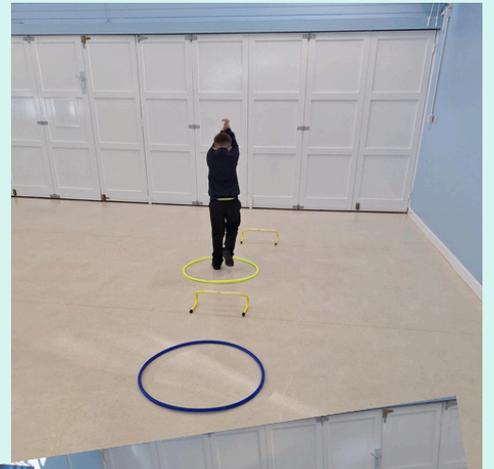

Starting a new school is a big step, and we are so proud of how well the children have embraced this transition.

Our Transition Week has been a huge success! It has been wonderful to meet each child and see their confidence grow day by day. The children have been exploring their new classrooms, making new friends, trying out their first Larwood PE lesson and exploring music in their first Larwood music lesson and throughout it all the enthusiasm and smiles we've seen have been truly heartwarming.

We want to thank you, our parents and carers, for your support during this important time. Your encouragement at home has helped make this first week such a positive experience for everyone.

As we look ahead, we are excited to continue building strong relationships with you and your children. Next week marks the beginning of their full journey with us, and we can't wait to see them flourish. Together, we will make sure every child feels valued, supported, and inspired to achieve their very best.

Here's to a fantastic year ahead filled with learning, laughter, and growth
