Online Safety Update

Looking to set up a new digital device for your child? Answer a few questions about your children's digital habits [here](#) to receive a free tailored toolkit packed full of resources and ideas to keep them safe online.

We know how popular Roblox is, so [here](#) is a privacy and security checklist you may find useful which include details on setting up parental controls, reporting and blocking users.

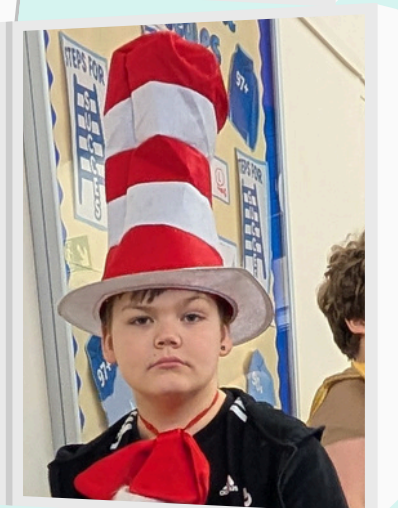

Reading; a novel idea.

We had a brilliant time for World Book Day this year! We had students in a wide variety of costumes, from Willy Wonka (and his golden ticket), through to The Cat in the Hat and the full cast of Alice in Wonderland. World Book Days gives our staff and students (alongside their parents and carers!) a great opportunity to express their creativity and present some of the iconic characters from stories that become part of their childhood experience. Plus, we really love any chance to dress up!

Reading can have an amazing effect on us and how we interact with others. Through books, we explore and learn to understand other people's emotions and experiences. This can help us to feel empathy for others in real life.

Reading can also help us to relax. Everyone loves getting lost in a good story! Sitting down with a book can help us unwind, especially at the end of a stressful day. We love hearing about the books the children read at home - please let us know via Class Dojo if your child has a particular character or series they're passionate about, so we can weave that into their learning at school.

Have a great weekend!
